

# DISTRICT HUNT

## Climate & Environment Sponsorship Tiers 2021

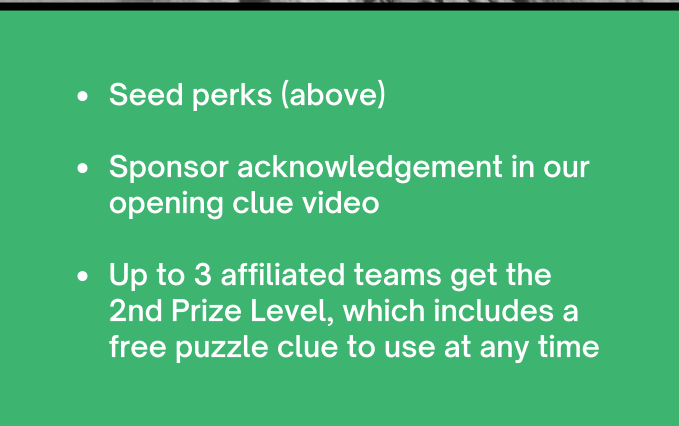

*Game Genius is proud to host its 3rd annual puzzle adventure. Since 2019, this event has attracted hundreds of players and helped build awareness around social themes like mental health and women's history. In 2021, we are focused on advancing environmental dialogue and action by promoting local changemakers and engaging strategic partners. As a fiscally sponsored nonprofit, all donations (monetary or in-kind) are tax-exempt and support our play-based mission in the Washington DC region.*
