

A 4x4 grid with the following layout:

1	2	3	4
2			
3			
4			

The grid consists of 16 cells. The cells at (1,4), (2,3), (3,2), and (4,1) are shaded gray. The numbers 1, 2, 3, and 4 are located in the top-left corner of each row. An arrow points to the top-right corner of the grid.
